Dr. Newton E. Morton
Department of Genetics
University of Wisconsin
Madison, Wisconsin

Dear Dr. Morton:

Your letter of April 4, 1956, stating that you have accepted a new position at the Medical School of The University of Wisconsin, has been received.

We are, accordingly, canceling the renewal tenure of your Postdoctoral Fellowship at this time. We appreciate your notifying us since this will release funds for the support of another deserving applicant.

If you and your sponsor both feel that the Supply Grant funds will be used to the best advantage through payment of tuition and travel expenses at Cold Spring Harbor, this may be done.

We hope that your new position will be both pleasant and profitable. If we can ever be of assistance to you in the future, please feel free to write to us.

Sincerely yours,

Ronald E. Scantlebury, Ph.D.
Chief, Research Fellowships Branch
Division of Research Grants

cc: Dr. Lederberg
